

**First Annual Institutional Development Award (IDeA)  
BRIN /RCMI Bioinformatics Workshop**

**National Center for Research Resources (NCRR)  
National Institutes of Health (NIH)  
March 8 and March 9, 2002**

**Hosted at  
Los Alamos Research Park Conference Center**

**Friday, March 8, 2002**

11:00 Registration and Materials Pick-up at Los Alamos Research Park

12:00 Lunch

1:30 Welcome and Introduction to Los Alamos Lab  
David Forslund, Los Alamos National Laboratories  
Sidney McNairy, NIH National Center for Research Resources  
Kevin Facemyer, University of Nevada Reno  
Karl Steiner, Delaware Biotechnology Institute

2:00 Health Science Initiatives for Internet 2  
David Forslund, Los Alamos National Laboratories

3:00 Coffee Break

3:15 Collaboratories Demonstration  
Karl Steiner, Delaware Biotechnology Institute  
Remote access to Bioimaging Core facilities

4:00 Afternoon Program Concludes

6:00 Dinner at Hot Rocks Java Café

8:00 Day 1 Program Concludes

**Saturday, March 9, 2001**

7:30 Continental breakfast at Hot Rocks Java Café

8:30 Welcome

8:40 BRIN Bioinformatics Flavors  
BRIN Participants will share short bioinformatics summaries

- 10:40 Coffee Break
- 10:50 Bioinformatics Perspectives  
Paul Gilna, Los Alamos National Laboratories  
Jennifer Weller, Virginia Bioinformatics Institute
- 12:20 Lunch
- 1:20 RCMI Bioinformatics Flavors  
RCMI Participants will share short summaries of their research
- 2:20 Bioinformatics Tools and Training  
Kevin Kendall, Accelrys  
Bob Boehmer, Informax  
Howard Cash, GeneCodes
- 4:00 Coffee Break
- 4:15 Developing Biomedical Research Programs  
William Southerland, Howard University  
Juarine Stewart, Clark Atlanta University
- 5:15 Courses and Training and Outreach programs  
David Wheeler, NIH-NCBI
- 6:00 Workshop Program concludes
- 7:00 Dinner at Katherine's or Blue Window in Los Alamos
